Motion for an Extension of Time to File the Answer

I would like to file for an extension for the answer to the opposition against my trademark Buz. I talked to the lawyers on Anheuser-Busch and we worked out that I would file for a change on the trademark, which would involve taking out class 32 and 33, which is what they were worried about. I filed this change on the ESTTA website, but the status of the file is still pending.

Due to the impending deadline of September 18 to answer, I would like to ask for more time, so that the change on my trademark can be filed and registered and the opposition possibly removed.

Sincerely,

Andrew Young
